

TURBO® TRIATHLON

TRIATHLON

OUR FABRIC

COMPRESSIVE

High compression fabric. Compresses the legs, providing a pleasant feeling of muscular support.

RESISTENT

Very good resistance to abrasion.

BIELASTIC

Elastic in the 4 senses.

HYDROPHOBIC

Teflon finish Water Repellent prevents that water enters in to the fabric. This helps to slide better in the water, facilitates quick drying of the garment.

BREATHABLE

Nest type structure of bee that helps to perspiration.

HIGH RECOVERY

High recovery
The garment does not deform with the use.

UV PROTECTION

SPF+50

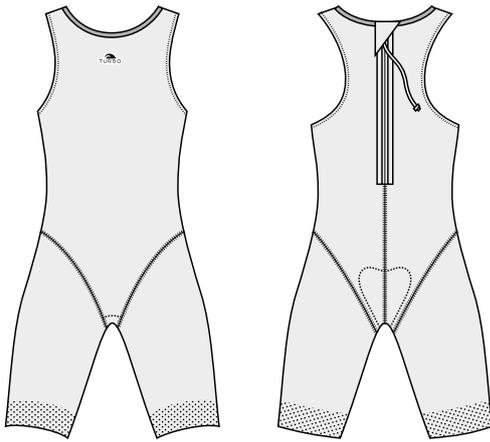

**MADE IN SPAIN
ITALIAN FABRIC**
